Seasons Newsletter Assessment Tool

Essential Question
How does the world change during the year?

Unit Questions
How do our lives change with the seasons?
What is the weather like right now in other parts of the world?
How can surveys help us collect and interpret information?

Sample Content Questions
How can we tell the seasons are changing?
What are the four seasons?
How do we represent data in different ways?

Use this table throughout the course of the unit. Keep a record of student participation as the children contribute to each season's newsletter.

Name	**Summer** Can identify an attribute of summer	**Fall** Can identify an attribute of fall	**Winter** Can identify an attribute of winter	**Spring** Can identify an attribute of spring	Identified an element of change	Made a comparison between seasons	Made a comparison between two locations
