

# Declaration of Conformity

This Declaration of Conformity is issued by the indicated company which is solely responsible for the declared compliance. The compliance is valid only for the equipment identified when used in a manner consistent with intent of the referenced documents.

Equipment type / model: Intel® desktop cpu board, model D815EEA

The equipment listed above is declared to be compliant to the following applicable National and International standards:

| EMC:                                   | Safety/Low Voltage:                    |  |
|----------------------------------------|----------------------------------------|--|
| FCC Part 15, Class B                   | IEC 60950:1991 + Amendments 1, 2, 3, 4 |  |
| ICES-003, Class B                      | EN 60950: 1992 + Amendments 1, 2, 3, 4 |  |
| EN 55022:1998, Class B                 | UL1950, 3 <sup>rd</sup> ed.            |  |
| CISPR 22, 3 <sup>rd</sup> ed., Class B | CSA C22.2 No. 950                      |  |
| AS/NZS 3548:1995, Class B              |                                        |  |
| EN 55024:1998                          |                                        |  |

### **U.S.A:**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
