Trait or Emotion	Connection to Self
<i>Hard working</i>	<i>I work hard in everything I do. I try my best at school and I also play soccer, take ballet class, and piano lessons. I practice everyday and also do my chores. I try to help my little brother, too.</i>
<i>Shy</i>	<i>I do not like to talk in front of other people. I have a hard time meeting new people. I don't know what to say.</i>
<i>Humiliated</i>	<i>I get really embarrassed when kids make fun of me because I do not have a lot of stuff. I don't have labels on my clothes and my parents don't drive fancy cars.</i>
<i>Desperate</i>	<i>I had this really big report due. It was so hard. I didn't think I could do a good job. I felt really desperate. I was too shy to ask for help. But my teacher saw that I was not acting like myself and took the time to help me.</i>
