

Webliography: Am I My Brother's Keeper?

Famine

- **World Food Programme**
 - www.wfp.org/*
 - Frontline United Nations Agency whose mission is to provide food for life, growth, and work.
- **China: The People Bomb**
 - www.msnbc.com/news/307034.asp*
 - Explains China's growing population, along with additional information about population increases and ways to deal with them.
- **International Famine Center**
 - www.ucc.ie/famine/*
 - An international page with links to other famine and famine relief organizations worldwide.
- **El Niño Update**
 - www.pmel.noaa.gov/toga-tao/el-nino/nino-home.html*
 - Complete information about El Niño, how it works. Plus, information about the weather phenomenon La Niña. Includes information about how they affect rain patterns, and affect drought.
- **Irish Potato Famine**
 - www.seark.net/~sabra/potato.html*
 - Strong historical collection, including images, of the Irish Potato Famine.
- **Are Famines so Difficult to Predict?**
 - www.esig.ucar.edu/ijas/ijas.html*
 - A summary of possibilities in early famine warning systems for nations such as Africa, where famine has been a persistent killer during the past 20 years.

Example of Multiple Perspectives on a Topic

- **Complex-City**
 - www.healthycities.org/complexcity.pdf*
 - This paper presents a disaster scenario because it is at times of crisis that people become highly motivated to create working relationships. The disaster shows that sustaining the health of a community goes beyond medical care. Health is also a matter of public health educators, city planners, the media, environmentalists, and other community-level actors. The different perspectives presented in this paper will illustrate how their decisions and actions can enhance the health of the community.

Politician

- **Irish Potato Famine**
 - http://en.wikipedia.org/wiki/Irish_potato_famine*
 - Encyclopedia article from which you can pull information about the government role in the Irish potato famine.
- **U.S. Prepares 'Big-time' Response to Famine**
 - www.usatoday.com/news/world/2002/05/01/famine-relief.htm*
 - Article written in 2002 about the famine in southern Africa

Economist and Community Planner

- **Economist Wins Nobel Prize for Work on Famines and Poverty**
 - www.wright.edu/~tdung/sen.htm*
 - 1998 *New York Times* article about the Nobel Prize winning economist. Amartya Sen whose work focuses on relieving famine.
- **Economists (and an Anthropologist) to the Rescue**
 - www.dateline.ucdavis.edu/033100/DL_econ.html*

- Article about University of California at Davis professors lend their expertise to Asian countries suffering trade woes, famine and currency irregularities.
- **Economists for Peace and Security**
 - www.epsusa.org/*
 - The Web site of an organization of economists, headed by James K. Galbraith, dedicated to inform the public about the economic costs of conflict, including hunger.

Social Anthropologist

- **Economists (and an Anthropologist) to the Rescue**
 - www.dateline.ucdavis.edu/033100/DL_econ.html*
 - Article about University of California at Davis professors lend their expertise to Asian countries suffering trade woes, famine and currency irregularities.
- **Effects of Famine: Short Stature Evident in North Korean Generation**
 - <http://archives.seattletimes.nwsource.com/cgi-bin/texis.cgi/web/vortex/display?slug=korea14&date=20040214>*
 - Results of study by anthropologists.
- **Report Says Resolving Violent Conflicts Key to Ending Hunger; Cites Sudan Famine**
 - www.ifpri.org/pressrel/060398.htm*
 - According to a new report from the International Food Policy Research Institute (IFPRI), creating a hunger-free world in the Twenty-First Century will require prevention and resolution of violent conflicts, such as the one in Sudan, as well as concerted efforts to rebuild war-torn societies.

Agricultural Engineer and Scientist

- **Feast and Famine**
 - www.newscientist.com/news/news.jsp?id=ns9999427*
 - 2001 article about the impact that agricultural practices have on future food production
- **1970-85 Famine Based on Pollution**
 - www.cbsnews.com/stories/2002/07/21/world/main515765.shtml*
 - Article explaining how scientists believe that the famine in Africa during the seventies and eighties was caused by pollution

Medical Doctor

- **Doctors Without Borders**
 - www.dwb.org/*
 - Nobel-prize winning group of emergency-based doctors who respond to refugee and famine crises across the world. Links to other organizations and fact-based sites.
