Beat the Heat

Wiki Feedback Checklist

Use this checklist to help you give feedback to your peers on their wiki pages.

	Suggestions for Improvement
1. Is the information well organized and easy to find and understand?	
2. Do the graphs communicate accurately and clearly what the data says?	
3. Are the conclusions logical and based on clear, scientific thinking?	
4. Is the writing accurate, clear, and free of distracting errors?	
5. Is the page attractive and interesting?
