1,200,000 (1.2×10^6)

The approximate number of pieces of paper used in 3 years by our school.

The number of pieces of paper used in 2002/2003 and 2003/2004 averaged 800 reams.

Pieces of paper used

- 2002/2003
- 2003/2004
- Average
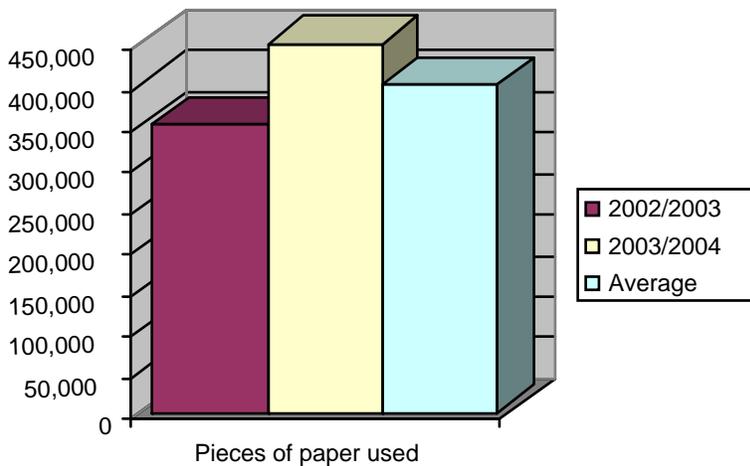

There are 500 sheets in each ream. 40,000 is the average number of pieces of paper used each year, multiplied by 3 gives paper usage in 3 years.
