

¡Vamonos! Checklist

- We selected a budget that is less than \$2,000 per person.
- We selected at least five major sites that lead to a better understanding of the way of life in the city/country for our itinerary.
- We chose a special menu. The menu highlights country specialties.
- We included at least 10 conversation cards that are correct and would be helpful to travelers.
- We chose day trips and cultural experiences that are representative of the culture and show an understanding of important cultural events or sites.
- We included local customs and demonstrated knowledge of them.
- We used headings or bulleted lists to group related material when appropriate.
- We chose different fonts, colors, graphics, and effects to enhance our presentation.
- We collected all the correct information for all sources used.
- We documented our sources correctly in the right format.
- We used persuasive language throughout our presentation.
- We held a peer conference to receive feedback.
- We used peer feedback to revise our final presentation.
- We rehearsed our presentation and are ready for a live audience.
