

Survey Information

Congratulations on completing the *Inquiry in the Science Classroom* Course!

Please take a few minutes to complete an online survey at the appropriate link below. Your feedback will help guide the development of new courses in the Intel® Teach Elements series.

Please select the survey for your course delivery format:

- [Self-paced](#)
- [Facilitated \(you were a participant\)](#)
- [Facilitated \(you were the facilitator\)](#)
 - **Facilitators:** please let us know how many participants you instructed, by reporting at <http://teachonline.intel.com/elements>

Project-Based Approaches, Assessment in 21st Century Classrooms, Collaboration in the Digital Classroom, Thinking Critically with Data, and Educational Leadership in the 21st Century are also available now! The next Intel Teach Elements Course will be a course on Designing Blended Learning – you'll find it at www.intel.com/teachers

If you are interested in other Intel® Teach courses, please visit www.intel.com/education/teach/us
