|  | *Not At All* <br> *1* | *Small Extent* <br> *2* | *Moderate Extent* <br> *3* | *Great Extent* <br> *4* |
|---|---|---|---|---|
| a.  Focused on integrating technology into your teaching | | | | |
| b.  Provided useful teaching strategies to use with your students | | | | |
| c.  Illustrated effective uses of technology with students | | | | |
| d.  Provided opportunities to collaborate with other educators during training | | | | |

3.  Having completed your training, how well prepared do you feel to do the following activities with your students? For each item below, select the choice that best represents your experience.

|  | *Not At All Prepared* <br> *1* | *Somewhat Prepared* <br> *2* | *Moderately Prepared* <br> *3* | *Very Well Prepared* <br> *4* |
|---|---|---|---|---|
| a.  Implement methods of teaching that emphasize independent work by students | | | | |
| b.  Integrate technology into your teaching | | | | |
| c.  Support your students in using technology in their schoolwork | | | | |
| d.  Evaluate technology-based work your students produce | | | | |
| e.  Align your teaching and assessments with required curriculum content | | | | |

4. Think about the trainer who led your workshop. For the items below, select the choice that best reflects your experience.

| | Not At All 1 | Somewhat 2 | Adequately 3 | Very 4 |
|---|---|---|---|---|
| a. How successful was he/she at leading participants through the process of creating unit plans? | | | | |
| b. How successful was he/she at engaging the group in discussions of pedagogical and classroom management issues? | | | | |

5. How useful was each of the following components of the training in helping you learn how to integrate technology into your teaching practices? For each item below, select the choice that best reflects your experience.

| | Not Useful 1 | Somewhat Useful 2 | Moderately Useful 3 | Very Useful 4 |
|---|---|---|---|---|
| a. Creating and exploring the uses of Essential Questions and Unit Questions | | | | |
| b. Discussing and thinking through the pedagogical topics | | | | |
| c. Locating and evaluating resources for your unit | | | | |
| d. Creating student multimedia presentations | | | | |
| e. Creating student publications | | | | |
| f. Creating teacher support materials | | | | |
| g. Creating student Web sites | | | | |

6. Will the ideas and skills you learned from the Intel Teach training help you to successfully integrate technology into your students' activities?

*Definitely Not*

*Probably Not*

*Probably Yes*

*Definitely Yes*

7. How many years of teaching experience do you have?

*Less than 3*

*3 to 9*

*10 to 20*

*Over 20*

8. Please select the option that best describes your level of experience integrating technology into your teaching BEFORE the Intel Teach training.

*Never Used with Students*

*New User (you have tried a few times to have your students use technology during your classes)*

*Intermediate User (you have a few lessons involving technology that you feel comfortable having your students do during your classes)*

*Advanced User (you regularly have your students use technology to engage in school work)*

*Expert User (you are a technology leader in your school, or you train others in the use of technology)*
