Dear Judge Farnan:

As a follow-up to my earlier letter of today, I enclose on behalf of AMD and interim class counsel -- but not Intel -- a second red-lined Proposed Protective Order. This document is the same as the redline submitted to you earlier but contains as well (highlighted in yellow) the few additional changes that AMD and interim class counsel propose but to which Intel objects.

We thought this might be helpful because it lays out in one place all of the changes to the Protective Order that the Parties propose.

Respectfully,

*/s/ Frederick L. Cottrell, III*
