In re Intel Corporation Microprocessor Antitrust Litigation, MDL, C.A. No. 05-MD-1717-JJF;
Phil Paul, v. Intel Corporation, C.A. 05-485-JJF**

Dear Judge Poppiti:

Pursuant to the discussion of Item One (Current Status of Discovery) of the agenda which the Court prepared for the Status Conference held on October 5, 2006 at 11:00 a.m., attached please find a chart of the outstanding third party corporate subpoenas by category. Please note that in some instances, several different affiliates of a given company were served. For example, we list NEC to represent subpoenas outstanding to NEC Corporation, NEC Computers, Inc., NEC Computers International, NEC USA, Inc., and NEC Solutions America, Inc. In those instances, we have only listed the company on the chart by its trademark name, although indicating that more than one subpoena was served.

Respectfully,

Chad M. Shandler
