Dear Judge Poppiti:

We are in receipt of the letter, dated November 30, 2006, addressed to Your Honor from Mr. Proctor on behalf of the Japanese OEM's. (D.I. 265, 246 and 336). Intel agrees with the proposal set forth in Mr. Proctor's letter, namely, that the preamble and Points I and II of the Japanese OEM's November 13 Letter be treated as an amicus submission, and that the arguments on burden and comity found in Point III be deferred until a later date when they can be heard if discovery from the Japanese OEMs remains an issue.

Respectfully,

W. Harding Drane, Jr. (#1023)
