JOINT REQUEST FOR STATUS CONFERENCE

COMPLAINT COUNSEL and Respondent INTEL CORPORATION have conferred and, pursuant to Rule 3.21(f), jointly request a conference to update the Court on the status of the case and to address case management issues. The parties suggest that several issues merit the Court's attention and that the Court's guidance on those issues at this stage of the litigation will assist the parties in conducting discovery and preparing for trial. The parties propose holding the conference the afternoon of March 25, 2010, or at another time convenient to the Court. The parties anticipate that a conference would last no longer than one hour.

If the Court grants this request, the parties propose that each party may submit a written summary of the issues to be addressed, not to exceed five pages, no later than 48 hours prior to the conference.

Respectfully submitted,

By: Eric Mahr
