<b>Orders for Discontinued Products Become Non-Cancelable:</b>	Jun 30, 2012	Mar 30, 2012

## Description of Change to the Customer:

### Reason for Revision: Change milestone

Intel will be "refreshing" (new product codes and new MM#'s) all of its current products based on the Intel® C204 Chipset and Intel® C202 Chipset.

An 'R' identifier has been added to the end of the product order code S1200BTL, S1200BTS, BBS1200BTL, BBS1200BTS, DBS1200BTL, DBS1200BTS, R1304BTL SHBN, R1304BTL SFAN, R1304BTSSFAN, P4304BTL SHCN, P4304BTL SFCN and P4304BTSSFCN. The "R" product code is used to identify boards/systems that include a BIOS that is aware of the next generation Intel® Xeon® Processors and Intel® Core™ Processors, allowing the system to boot when these processors are installed.

Note: Products with the "R" identifier will still require a future BIOS update to fully support the next generation Intel® Xeon® Processors and Intel® Core™ Processors. The integrated BIOS merely prevents a POST hang when these processors are installed. BIOS updates that fully support the next generation of the Intel® Xeon® Processors and Intel® Core™ Processors can be downloaded from Intel's support web site when available.

BIOS Revision Change - A new BIOS is being loaded at the factory for the new "R" product codes. The BIOS revision is changing from 28 to 35. The major change to this BIOS is to make it aware of next generation Intel® Xeon® Processors and Intel® Core™ Processors, allowing the system to boot when one or more of these Processors are installed. For a complete list of BIOS changes, please refer to the BIOS release notes when they are made available from Intel.

Two resistors are also being added to the server board to support the next generation Intel® Xeon® Processors and Intel® Core™ Processors.

### Customer Impact of Change and Recommended Action:

Intel recommends performing a standard level of evaluation when these boards become available. Customers should evaluate the software change when available.

**Note:**

- Product Discontinuance Program Support Begins: Dec. 5th, 2011
- Orders are Non-Cancelable and Non-Returnable After: Jun.30th, 2012
- Last Return Date for Negotiated & Stock Rotation: Jun. 30th, 2012
- Last Product Discontinuance Order Date: Sep. 30th, 2012
- Last Product Discontinuance Shipment Date: Dec. 31st, 2012

Final purchase orders for the affected products must be placed by Sep. 30th, 2012 (Final Day to Place Orders).

- Orders placed by Sep.30th, 2012 will be supported.
