[Customers not having an existing Intel account](#)

Customer who have an existing Intel account

- (1) Access the download via <https://registrationcenter.intel.com/RegCenter/SecureAutoGen.aspx?ProductID=1721>
- (2) A registration form will appear to screen for Controlled Product Access Request. Fill out the registration form completely.

The screenshot shows the Intel logo at the top left. Below it is the title "Intel® Server Continuity Suite" in blue. Underneath is the section "Controlled Product Access Request" with a thank you message. It includes two numbered instructions: 1. Provide information in English to confirm access. 2. Click the Submit button to get the serial number and download URL. A note refers to Intel's Privacy Policy. A legend indicates that a "+" sign next to a field name means it is required. The form fields are: Email +, Confirm Email +, First Name +, Last Name +, Country / Region + (dropdown menu), Address Line 1 +, Address Line 2, City +, State, Zip +, and Company +. A blue "Submit" button is at the bottom.

Hi, intelmspor@yahoo.com

As a follow up to the Intel® Black Belt Software Developer title, we are introducing a new ranking system on Intel Software Network Communities.

Intel® Brown Belt Software Developer and Intel® Green Belt Software Developer are the new titles to recognize members who participate actively, share knowledge & contribute to our communities.

Which 'belt' are you? Find out for yourself. All you need to do is accept the Terms and Conditions below to enroll into the Intel® Black Belt Software Developer Program and ranking system. Then, click on your user profile. Your profile will show all contributions and points accumulated for the past 12 months as well your current status.

Remember: you can opt-out of this program and the ranking system by clicking on 'Opt-out' in your user-profile.
