October 20, 2006

Dear Intel Customer:

Intel is announcing the discontinuance of the Intel® Server Board SE7230CA1-E. We recommend the follow-on product, Intel® Server Board S3000PT, as it offers superior performance, power efficiency, and I/O capabilities in the same small form factor.

This notification affects the product codes included below:

Server Boards

- BCAHBB (OEM 10-pack, horizontal power connector)
- BCAVBB (OEM 10-pack, vertical power connector)

1. This product discontinuance notification is effective **October 31, 2006**.
2. Final purchase orders for the affected products must be placed by **November 30, 2006**.
3. The final quantity to be shipped must specify a customer request date (CRD) no later than **December 30, 2006**.

Final purchase orders are ***non-cancelable and non-returnable***, notwithstanding any conflicting terms in our quotes, purchase order acknowledgment or Distributor agreements.

Please contact your local Intel Sales Office or distributor if you require more information or need assistance in selecting a replacement product. Details regarding these products are also available at <http://www.intel.com/go/serverbuilder>.

Sincerely,

Intel Enterprise Platforms and Services Marketing
